National Programs: Philatelic Bureaus and Examinations

Opportunities in Philately and Professional Exams in India

National Philatelic Deposite Account

Dedicated account for philatelists to manage their stamp collections and purchases directly through the Indian Postal Service.

Philatelic Bureau

A specialized postal service center that provides philatelic materials like stamps, first day covers, and special cancellations to collectors.

Deen Dayal SPARSH Yojana

A scholarship program aimed at promoting philately among school students in India, encouraging them to learn about stamps and postal history.

Philately: The Supreme Hobby

Philately, often regarded as the supreme hobby, combines the joy of collecting with the exploration of history, art, and culture. As collectors delve into the world of stamps, they uncover stories of nations, significant events, and iconic personalities, making it a fascinating and educational pursuit. This timeless hobby not only offers a unique connection to the past but also cultivates a deeper appreciation for the intricate designs and narratives behind each stamp.

Indian Stamp Cancellation Releases

The Department of Posts is Issuing Special Covers to commemorate events not covered by commemorative stamps. These covers feature unique cancellations at selected post offices and include postage stamps at the minimum inland letter rate. Private parties can also order these covers for a fee. Heads of Circles oversee and approve these releases, highlighting significant but less widely recognized events. Stay tuned for updates on availability.
